Leaders of All Creeds Join Jews in Campaign for \$7,-500,000 in Aid of Sufferers in Central Europe

Have Raised \$2,000,000

Movement Is Non-Sectarian and Money Will Be Distributed on Same Basis

With the saving of the lives of possibly hundreds of thousands of men, women and children in Central and Eastern Europe as their objective, workers in the campaign for Jewish war sufferers will begin their drive to-night to raise a \$7,500,000 fund to be expended for the relief of the war victims in that part of the world.

foremost Jews of New York and New Jersey will have as their aids in the effort prominent men and women of every faith. The campaign will last one week, and will be formally opened with a "hunger dinner" to be given at the Hotel Biltmore to-night. Bainbridge Colby, Secretary of State, will represent the nation, and Governor Alfred E. Smith will speak for the state. Other speakers, all of them leaders in the campaign, will be Jacob H. Schiff, Felix M. Warburg, Nathan Straus and Louis Marshall. More than two thou-sand workers in the drive will attend.

\$2,000,000 Already Pledged Already \$2,000,000 has been raised during the weeks of preliminary work. It is the first time in the history of a charitable undertaking in which the Jews of New York have taken a leading part that an appeal is being made to Jew and non-Jew alike. Not only are the collections to be made on this non-sectarian basis, but the distribution of the funds abroad will be made in the same way.

non-sectarian basis, but the distribution of the funds abroad will be made in the same way.

The campaign has the unqualified support of Archbishop Patrick J. Hayes of the Roman Catholic Diocese, Bishop Charles S. Burch of the Episcopal Diocese, Bishop Luther B. Wilson, president of the Board of Foreign Missions of the Methodist Episecopal Church; Miss Evangeline Booth, commander of the Salvation Army, and other prominent men and women who ar etaking an tetive part in the campaign as members of the executive committee, including Cleveland H. Dodge, treasurer of the Committee for the Relief in the Near East; Dr. Nicholas Murray Butler, president of Columbia University; George Gordon Battle, Otto T. Bannard, John G. Agar, the Rev. David J. Burrell, Robett Grier Cooke, Paul G. Cravath, Francis D. Gallatin, Charles H. Sabin, president of the Guaranty Trust Company; George W. Wickersham, Judge Joseph F. Mulqueen, Judge William H. Wadhams and Alfred E. Marling.

No Paid Workers

No Paid Workers

It is the first occasion that such a campaign has been conducted in New York, where the services of a paid director were not regarded as necessary. To avoid thi sexpense men and women have volunteered to do all the work hitherto placed in the hands of paid workers and for weeks have been spending their entire time at the head-ouarters. 389 Fifth Avenue. Judge Otto quarters, 389 Fifth Avenue. Judge Otto A. Rosalsky is the chairman. Acting directly under and for the chairman is the committee on administration and finance, with Colonel H. A. Guinsburg as chairman. Others on the committee on administration and finance are How-ard S. Gans, Dr. I. Edwin Goidwasser, Samuel C. amport, Harriet B. Lowen-stein, Carl Pforsheimer and Cyrus L.

Stein, Carl Prorsheimer and Cyrus L. Sulzberger.

The treasurer of the fund is Paul Baerwald, of Lazard Freres, who is also associate treasurer of the joint distribution committee, of which Felix M. Warburg is chairman and which committee is to administer the funds abroad.

\$35,000,000 National Fund

\$35,000,000 National Fund
This committee has disbursed since
the beginning of the war upward of
\$28,000,000 contributed by American
Jewry for the relief of the war sufferers in all lands. What a mighty effort
is now being made is indicated by the
fact that the \$7,500,000 is only New
York's quota of a \$35,000,000 national
fund.

Much stress has been laid on the fact that in addition to the duty to provide for the millions of sufferers the catasfor the millions of sufferers the catastrophe impending in Europe directly menaces the United States, and that unless the danger is eliminated now ruin and plague must inevitably bridge the Atlantic and take from America a toll of suffering and sacrifice greater than the war itself entailed.

Aside from the facts of starvation and destitution, the great menace in Eastern and Central Europe is typhus, which already has affected 90 per cent of the population, with the mortality in some districts running as high as 70 per cent.

Special Sermons In Churches

The appeal to all hearts contained in such facts as the foregoing is to be The appeal to all hearts contained in such facts as the foregoing is to be forcibly brought home to the people of New York in many ways. To-day is Church Sunday and there will be special sermons in many churches of all denominations. The Rev. Dr. S. Parkes Cadman, pastor of the Central Congregational Church. Brooklyn, prepared the sermon for the Protestant churches; Vicar General Joseph F. Mooney has written a message to the Roman Catholic churches, and Dr. Nathan Stern, rabbi of the West End Synagogue, prepared the appeal to be read to the Jewish congregations.

Children in the public schools, through the cooperation of the Board of Education, are to hear the story of the sufferings of the children in other lands, and in the theaters, moving picture houses, the clubs, hotels and restaurants, in short, wherever people are gathered together, the conditions they are asked to alleviate will be made clear.
